

The Flamingo

(For a minimum of Five Steel Drums, Drumset and Optional Bass Guitar)

By *Thom Hasenpflug*

Performance Notes

The Flamingo is a reference to the fun, pink neon kind you might see at a hotel or restaurant in Palm Beach, Las Vegas, or Miami.

The bass pans and bass guitar parts are similar, so the arrangement can be performed with either one omitted. Players may wish to use a bass guitar, along with the bass pan part, to help fill out the low-end frequencies and balance with the drumset.

In addition to drumset, the following optional engine-room complement may be used:

The image shows three staves of musical notation in 4/4 time. The top staff is for the Triangle, featuring a series of eighth notes with stems pointing up and down, and some notes marked with a plus sign (+) or a circle with a dot (o). The middle staff is for the Iron/Metal Shaker, showing a steady eighth-note pattern. The bottom staff is for Congas or Bongos, featuring a pattern of quarter and eighth notes.

The engine room should not play the intro, but begin at letter A. In addition, it should not play during fill or kick breaks, and/or modify the pattern as appropriate to stop-time sections (measures 15–18, the bars surrounding letter E, or any other measures as per the director).
