**Short Late Elementary Piano Solos
with Optional Duet Accompaniments**

Arranged by Tom Gerou

All titles in this book are proven to be time-tested favorites from a variety of musical styles that can be enjoyed by both kids and adults. Care has been given to help make the music easy to play. The pieces are engraved in facing-page formats. All selections are arranged in traditional five-finger style, with the melody split between the hands—no hands-together playing—and without key signatures in the solo part. Dotted quarter notes, triplets and sixteenth notes have been avoided. When there are lyrics, leader lines are also omitted to maintain an uncluttered look. All melodic arrangements have optional duet accompaniments for the fullest sound and maximum playing fun!
