PROGRAM NOTES

Katy Perry, a former Christian artist, is an American singer-song writer and actress who has officially become one of the industry's biggest pop stars. Perry is the first female artist to get five hits on the Billboard Hot 100 in one year. Her second studio album, *Teenage Dream*, was released in August 2010 and debuted at number one on the Billboard 200. The album produced five Hot 100 toppers, including "Last Friday Night," and was only the second album—after Michael Jackson's *Bad*—to do so.

Onika Maraj, known as Nicki Minaj, is a female rapper from Southside Jamaica who grew up in the suburbs of New York City, coming from a troubled home, with a father on drugs and a struggling single mother. Despite her hectic environment, Minaj went on to graduate from LaGuardia High School in Manhattan where she studied singing and acting. Working as an administrative assistant, she dedicated all of her free time to pursuing a potential music career. Nicki soon branched out and was noticed on MySpace by Dirty Money CEO Fendi, who signed her and put her on the front of his Dirty Money Label, and his *The Come Up* DVD.

NOTES TO THE CONDUCTOR

The teaching and programming of popular music in any music program is of the utmost importance because of its significance and positive effect on the students' musical meanings and experiences. This medley combines two of the hottest titles in the world of Hip-Hop.

Pop music comes in a variety of styles and as it is the case with any type of music, much attention should be given to the rhythmic concept of the piece to make certain that the style is being played correctly. The medley starts with a teaser introduction from "Super Bass" followed by the melody from "Teenage Dream." At rehearsal number 41, the introduction is restated, but this time the "Super Bass" melody is introduced. At measure 89, the melody from "Teenage Dream" is presented intertwined with motives from "Super Bass." At measure 97, the melody from "Teenage Dream" continues with a stop-style bass line supported by the low brass and woodwinds. This section leads to the end, which lastly, restates the introduction one more time leading to the "he got that super bass" ending statement.

Keep in mind that both of these tunes are to be played at a moderate dance beat. Ensure that the three concert toms are properly tuned. For a more authentic sound effect, an electric bass may be used. Additionally, depending on the needs of the ensemble, the Percussion I part may be played by separate instruments and players rather than drumset. Ultimately, all percussion instruments should be tuned properly. Rehearsing the piece for tightness and not loudness will lead to a more effective performance.

I know that *Teenage Dream/Super Bass* will be a winner and well received by your students and audience this school year.

Mash it up!
