PROGRAM NOTES

This arrangement of the Bach masterpiece features the entire clarinet section performing the running melody that is so famous, with the rest of the band supporting with the chorale at measured spaces. The simplicity of the melody and the supporting chorale reveals the charm of this music, pure Bach.

NOTES TO THE CONDUCTOR

As the entire clarinet section (1st, 2nd, and 3rd parts) is contained on one part labeled Clarinet, an alternate clarinet part (labeled Clarinet 2) is provided for performers in the section who have limited technique. This alternate part is not an essential part in the scoring and the use and distribution of that part is at the director's discretion.

Cues for the bassoon/bass clarinet part are included but should be used only as a substitute or to enhance balance, not as an added voice.

An optional synthesizer part using a church organ sound is included during the chorale sections to enhance the full band sound.

I hope you and your students enjoy this cherished Bach masterwork.
