## PROGRAM NOTES

Jerrold Immel originally wrote the "Theme from Dallas" in 1978 for an American primetime television soap opera. Immel, one of Hollywood's most respected composers for more than three decades, made lasting contributions to the art of television scoring with his themes and scores for *Dallas*, *Knots Landing*, *Paradise*, *How the West Was Won*, and other series. The 2012 series is a continuation of the original series, following a twenty-year break, which aired on CBS from 1978 to 1991. The new series airing in the UK, Canada, and Australia as well has been renewed for another exciting season.

## NOTES TO THE CONDUCTOR

The melody in this composition is a four-measure theme that progresses through a number of key changes, but with little variation. The tonal changes help to keep the drive and excitement of the melody throughout. In order to add diverse color to the composition, different instruments all the way through the arrangement visit the four-measure theme. Before each key change, rehearse the transitional sections to establish the new tonalities.

This arrangement is straightforward with the exception of the introduction and the section at rehearsal numbers 28 and 75, where it becomes slightly more intricate. At rehearsal number 48, there is a recapitulation followed by a slight ornamental line in the flutes, oboe, and 1st clarinet parts. However, the flow is exactly the same as in section A.

Ultimately, the Percussion I part has been written as a drumset part but, as an option, in absence of a drumset, it may be played on concert percussion equipment. Either way, it will sound full.

Overall, this will be a fun piece to perform and, although it is technically a pop tune, I believe it to be a good addition to the concert band program.
