### NOTE FROM THE EDITOR

All Belwin string parts have been carefully bowed and fingered appropriately by level. The Yellow Very Beginning series includes many bowings as well as reminder fingerings for first-time readers. The Red Beginning series includes frequent bowings to assist younger players. Fingerings for altered pitches are often marked. The Green Intermediate series includes appropriately placed bowings for middle-level students. Fingerings and positions are marked for notes beyond first position. The Blue Concert series includes bowings appropriate for the experienced high school player. Fingerings and position markings are indicated for difficult passages.

Belwin/Pop String Editor

## PROGRAM NOTES

With over 170 million combined albums, singles, and videos sold worldwide during her career, Whitney Houston (1963–2012) established a benchmark for superstardom. She is a singer's singer who has influenced countless other vocalists, female and male. Born into a musical family, in Newark, New Jersey, Whitney's success started early. As a teenager, Whitney was already singing on the scene in New York, and began recording in the '70s and early '80s with many well-known artists. The titles included in this tribute are "Queen of the Night," "I Have Nothing," "I'm Your Baby Tonight," and "The Greatest Love of All," all major international hits that display Whitney's versatility.

## NOTES TO THE CONDUCTOR

The tunes in the medley provide a great opportunity to work with different rhythmic grooves. The first selection, "Queen of the Night," is written in a "disco" style and is pretty straightforward. This dance style was predominant in dance clubs during the 70s and its musical influences include funk, Latin, and soul music. The second selection, "I Have Nothing," is a classic slow soul ballad (CE = 50) written in 12/8. In this style, the slower the tempo, the simpler the rhythm pattern. It is very important to understand that ballads are four beats to a measure and are broken down in the following tempo categories: slow, medium, and up-tempo. When written in 12/8, the tempo is very slow and each beat is felt as a multiple of three. The third selection, "I'm Your Baby Tonight," is also written in 12/8 but it is much faster (CE = 104), and consequently we get the Motown blues shuffle style. The last selection in the medley is "The Greatest Love of All," a medium ballad written in 4/4 leading to a recapitulation of the beginning statement.

Please notice that all of these pieces were written as dance music and, unless marked otherwise, the rhythmic groove should be steady throughout. Work on the transitions from one title to the next and make certain that all dynamic levels are followed as indicated. If an authentic pop sound is desired, amplify the piano, and use an electric bass and drum set as part of the rhythm section. The arrangement can be played by strings alone without winds and percussion. Several of the titles in the medley may also be programmed separately. This outstanding Whitney Houston tribute may take a little more time to put together since it is approximately eight minutes long; however, I am certain that the work will be worthwhile and your students and audience will definitely enjoy it.
