

# STRING EXPLORER SERIES

## Barcarolle

From *The Tales of Hoffman*

Jacques Offenbach

*Arranged by Richard Meyer (ASCAP)*

### INSTRUMENTATION

|                                                                                                             |   |
|-------------------------------------------------------------------------------------------------------------|---|
| Conductor Score.....                                                                                        | 1 |
| Violin I .....                                                                                              | 8 |
| Violin II .....                                                                                             | 8 |
| Viola .....                                                                                                 | 5 |
| Violin III (Viola  ..... | 3 |
| Cello.....                                                                                                  | 5 |
| String Bass .....                                                                                           | 5 |
| Piano Accompaniment.....                                                                                    | 1 |

This easy arrangement of the famous gondola boat song from Offenbach's 1881 opera *The Tales of Hoffman* is the perfect way to strengthen your young orchestra's legato playing skills. Slurs, crescendos, diminuendos, and a 3/4 time signature all add to the learning opportunities in this selection, making it a great "change of pace" piece for contest, festival, or any concert.
