PROGRAM NOTES

"Journey into Imagination with Figment" (the adorable and oftentimes mischievous purple dragon) is a major attraction at Disney's Epcot® theme park in Orlando. Riders are led through the Imagination Institute by Dr. Nigel Channing (voiced by Eric Idle), carried on their way with verses of *One Little Spark*, one of the many amazing collaborations of the Sherman brothers.

This arrangement conveys all the playful merriment of the tune, with the melody and tonal color shifting frequently.

NOTES TO THE CONDUCTOR

Keep a light, free style all the way through the arrangement. You'll probably need to work with your players on not accenting any note other than the last beat, especially in the accompaniment patterns.

If additional performance length is required, an optional repeat may be inserted from the beginning of measure 35 to the end of measure 69.
