NOTES TO THE CONDUCTOR

This arrangement of music from composer Hans Zimmer's stunning score to *Man of Steel* is designed for students in their second and third year of band and contains five memorable themes from the soundtrack. There are parts written for six percussionists; however, if you have additional players, you may double the snare drum part on as many toms or other drums as you wish.

There is an optional piano part included which is designed, among other things, to reinforce the mallet and timpani lines.

The percussion part beginning at measure 81 should be very loud and bombastic, almost to the point of covering up the winds. There may be a tendency, in measure 82, etc., to play the quarter note on beat three ahead of time—wait for it!

The trumpet solo beginning at measure 90 may be played by one or as many trumpets as you wish.

I hope you find Selections from *Man of Steel* to be a fun and exciting musical experience!
