DAN COATES

POPULAR PIANO LIBRARY

Since 1976, Dan Coates has arranged thousands of popular music titles for pianists of all ages and skill levels. Composers and artists such as John Williams, Burt Bacharach, and Elton John have expressed total confidence in Dan's ability to create outstanding and accessible arrangements while retaining the essence of the original music. He has arranged everything from movie, TV, and Broadway themes to chart-topping pop, rock, and country titles. In addition to his extensive catalog of arrangements, Dan also composes original music for student pianists, making him one of Alfred's most prolific authors.

This collection includes songs from beloved shows such as *My Fair Lady*, *Funny Girl*, *The Wiz*, *Mamma Mia!* and *The Lion King*. Arranged for pianists at the intermediate to late intermediate level, these pieces include phrasing, fingering, dynamics, and specific pedal indications, making them excellent for lessons, performances, or just for fun!
