to the stars

Light up the world, light up the world.

Run like you’re born to fly.

Live like you’ll never die.
Dare what you dare to dream and every thing in between.

I had an epiphany one night, looking at the endless star filled sky.

The world is
ours.

The world is ours.

The world, the world, the world.
ours. Light up the world light up the world.

We're all __ we are. We're all __ we are.

The world is ours.
