Guitar Chords
Guitar
Piano
Bass
Drums

NOTES TO THE CONDUCTOR

This arrangement will work best if played at the indicated tempo of $\text{♩} = 160$.

As with all of my vocal arrangements, this chart is arranged in two keys, with the male (high key) and female (low key) printed back to back. Please make sure that the band and vocalist are playing the same version to avoid a musical "train wreck."

The chart should be played with a nice, easy swing feel and an overall light approach.

The 1st tenor sax has a solo at mm. 47–55. I have provided a suggested solo; however, please encourage the soloist to embellish or improvise using the chord changes.

Direct the ensemble to avoid clipping (playing too short) the rooftop accents that are placed over eighth notes. They should be given their full value (and maybe a little more) and played with a strong attack—think "daht."

The fall in m. 13 should be approached as a unison figure; direct the ensemble to play it for the same duration, typically about two beats, and fall off together. The lead trumpet should dictate the speed and duration of the fall. Dynamically, the ensemble can play out at m. 42, which is the shout chorus interlude between vocal sections. As always, please observe all articulations and dynamics, especially behind the vocalist. The vocalist has the melody and must always have dynamic priority.

Regarding the rhythm section, the drum part shows important ensemble hits and figures, and the well-notated bass and piano parts should be self-explanatory. The guitar part mostly includes comping with slashes or rhythmic accents. The rhythmic accents typically match and reinforce the piano part. For comping slashes in this style of swing chart, a simple, quarter-note comp will sound appropriate. Ask the guitarist to use medium-thick picks, held loosely between the thumb and index finger, to create the best, very bright, acoustic sound. Strum straight quarter notes, cutting off (muting) the sound of the chord right after striking the strings. The guitarist's quarter-note rhythm should perfectly mesh so that the guitar and bass merge into one big sound.

I suggest listening to the demo recording of this chart available at alfred.com/downloads.

Enjoy!

—Dave Wolpe

**Dave
Wolpe**

Dave Wolpe is truly a prolific composer/arranger with nearly 700 charts arranged and/or composed for various publishers, primarily Alfred Music. He has scored dozens of arrangements for the Glenn Miller Orchestra and is co-arranger on the platinum CD *In the Christmas Mood*. He has arranged for Disneyworld and Disneyland Paris with music ranging from small bands to symphony orchestras. He has also arranged for the bands of Ray Anthony, Les Brown and many others. In the late '70s and early '80s he played lead trombone with Ray Anthony and later with Les Brown.

The image displays a page of a musical score for the song "This Can't Be Love". The score is arranged for a conductor and includes parts for vocalists and various instruments. The vocal line at the top reads "love to look in your eyes." Below this are staves for Alto 1, Alto 2, Tenor 1, Tenor 2, Baritone, Trumpets 1-4, Trombones 1-3, Bass Trombone, Guitar, Piano, Bass, and Drums. The guitar part includes chord diagrams for C^6 , $A\#1^7$, $D\#1^7$, G^9 , C^6 , G^9 , F^{15} , $B\flat^{15}$, $B\flat^9$, and C^6 . The piano part shows complex chordal textures. The drum part features a steady rhythmic pattern. A large, diagonal red watermark reading "Preview Only - Legal Use Requires Purchase" is overlaid across the entire score.
