Sure to delight, the central portion of this original piece brings the unrestrained exuberance of bluegrass fiddling to the orchestra. In a lovely contrast, the piece opens and closes with a slow chorale, bringing to mind sunset and sunrise over the mountains.

NOTES TO THE CONDUCTOR

Treat the slow opening as a chorale. Discretion is encouraged in the interpretation of tempo and dynamics. At measure 25, there is a dramatic change into a bright, exuberant "hoedown." This portion should be played with the unrestrained exuberance of bluegrass fiddling. Measure 61 returns to the opening chorale, leading to a close at 64 with a two-measure, high-energy "fiddle figure."

NOTE FROM THE EDITOR

All Belwin string parts have been carefully bowed and fingered appropriately by level. The Yellow Very Beginning series includes many bowings as well as reminder fingerings for first-time readers. The Red Beginning series includes frequent bowings to assist younger players. Fingerings for altered pitches are often marked. The Green Intermediate series includes appropriately placed bowings for middle-level students. Fingerings and positions are marked for notes beyond first position. The Blue Concert series includes bowings appropriate for the experienced high school player. Fingerings and position markings are indicated for difficult passages.
