PROGRAM NOTES

The Wayfaring Stranger, 1784, was a spiritual sung mainly by the pioneers that inhabited the southern Appalachian Mountains, and was typically used at revivals. The words of the song express the hardship and the hope for eternity that the pioneers felt. The composer is unknown, but it is a song that has been passed down from generation to generation.

*I'm just a poor wayfaring stranger
A-trav'lin' through this world of woe,
But there's no sickness, toil, and danger
In that bright world to which I go.*

*I'm goin' there to see thy mother,
I'm goin' there, no more to roam;
I'm just a-goin' over Jordan,
I'm just a-goin' over home.*
