PROGRAM NOTES

Antonio Lucio Vivaldi learned to play violin from his father and, as a priest, for three decades he served as the Master of Music at the Ospedale della Pietà in Venice. There he taught orphaned girls to play string instruments to a high degree of proficiency. His *Sinfonia for Strings* were written while he was the leader of this ensemble. His compositions demonstrate his intimate knowledge of string technique with melodies that are soloistic in nature.

NOTE FROM THE EDITOR

All Belwin string parts have been carefully bowed and fingered appropriately by level. The Yellow Very Beginning series includes many bowings as well as reminder fingerings for first-time readers. The Red Beginning series includes frequent bowings to assist younger players. Fingerings for altered pitches are often marked. The Green Intermediate series includes appropriately placed bowings for middle-level students. Fingerings and positions are marked for notes beyond first position. The Blue Concert series includes bowings appropriate for the experienced high school player. Fingerings and position markings are indicated for difficult passages.
