INTRODUCTION

FOR THE STUDENT: This material is part of the worldwide Suzuki Method® of teaching. The companion recording should be used along with this publication. A piano accompaniment book is also available for this material.

FOR THE TEACHER: In order to be an effective Suzuki teacher, ongoing education is encouraged. Each regional Suzuki association provides teacher development for its membership via conferences, institutes, short-term and long-term programs. In order to remain current, you are encouraged to become a member of your regional Suzuki association, and if not already included, the International Suzuki Association.

FOR THE PARENT: Credentials are essential for any teacher you choose. We recommend you ask your teacher for his or her credentials, especially those relating to training in the Suzuki Method®. The Suzuki Method® experience should foster a positive relationship among the teacher, parent and child. Choosing the right teacher is of the utmost importance.
