An amazing medley of three extremely popular hits by Bruno Mars! These hot tunes will engage students and audiences alike. This arrangement for full orchestra may be performed by strings with a rhythm section as well.

NOTE FROM THE EDITOR

All Belwin string parts have been carefully bowed and fingered appropriately by level. The Yellow Very Beginning series includes many bowings as well as reminder fingerings for first-time readers. The Red Beginning series includes frequent bowings to assist younger players. Fingerings for altered pitches are often marked. The Green Intermediate series includes appropriately placed bowings for middle-level students. Fingerings and positions are marked for notes beyond first position. The Blue Concert series includes bowings appropriate for the experienced high school player. Fingerings and position markings are indicated for difficult passages.

Bob Phillips
Belwin/Pop String Editor

PROGRAM NOTES

Singer-songwriter and incredibly talented Peter Gene Hernandez, professionally known as Bruno Mars, was born on October 8, 1985, in Honolulu, Hawaii. By the early 2000s, he had begun to find success writing songs for popular artists, including K'Naan's "Wavin' Flag," the theme song for the 2010 Vancouver Winter Olympics. After several years as one of the pop music's premier songwriters, Mars broke out as a singer in his own right with the 2010 hit "Nothin' on You."

This medley consists of three extremely popular hits by Mars: "Just the Way You Are," performed for millions of fans at Super Bowl XLVIII; "When I Was Your Man," nominated for Best Pop Solo Performance at the 56th Annual Grammy Awards; and "Uptown Funk," the longest leading Hot 100 No. 1 of the 2010s, performed at the Super Bowl 50 Halftime Show.

NOTES TO THE CONDUCTOR

This piece may be played by the entire orchestra or by strings with rhythm section.

"Just the Way You Are," the first selection of the medley, is a moderate ballad that was originally written for voice and piano. The introduction is to be played smoothly, and the moving parts in the clarinets and mallet should blend with the orchestra. At measure 9, the French horn, trombone, viola, and cello parts need to blend as if one player is playing all instruments. At measure 17, stress the syncopation, but do not overplay the accents. The percussion should strive for intensity throughout, but not sound louder than the strings/winds. Make certain the transition into measure 25 is smooth.

At measure 25, the second selection of the medley, "When I Was Your Man," is introduced, and at measure 29 it provides an opportunity for the French horns to play the first eight bars of the melody with the 2nd violins, violas, and cellos. A cool opportunity for the horns!

"Uptown Funk" is the last title in this medley. It is extremely important to address the "funk-style" articulations. When playing funk music, the horns should articulate the notes hard and short, as opposed to an orchestral setting where the notes are played long and lyrical. Listening to the original recording or the promotional recording of this arrangement—as well as other funk groups such as Tower of Power and Earth, Wind & Fire—will help students understand how to perform funk-style music.

Note that after the tutti introduction, the 'drop' (or 'fall') in the horns should not last longer than beat 2. Starting with the pickup to measure 4, an optional singing part has been indicated in some of the parts. If this option is chosen, the students need to be ready to play beat 4 of measure 58. A small group of singers may be used instead.

Here are some suggestions for an effective performance.

- Quarter notes are always played short unless indicated differently.
- Isolated quarter notes are always accented.
- Eighth notes followed by a rest are played short.
- Eighth-note runs are played legato until the last note, which is extremely short. The first note is accented.
- Notes with a marcato accent are to be played loud for the full duration, with separation, and ended abruptly by the tongue.
- Do not swing notes unless indicated otherwise.

I am sure that this medley will be fun to play and be a hit with your students and audience.

Enjoy!
