

SYMPHONY No. 5

Choral *and* Allegro maestoso

By Felix Mendelssohn

Arranged by Jim Palmer

INSTRUMENTATION

Conductor Score	1
Violin I	8
Violin II	8
Viola	5
Cello	5
String Bass	5

This masterwork symphony movement is now arranged for string orchestra! The string parts are similar to the original score and create a beautiful symphonic sound. A great festival choice that would be a dynamic closer for any concert.

NOTES TO THE CONDUCTOR

This arrangement includes the major thematic material found in the original score. Optional divisi parts have been provided in the first violin as well as doubling in some of the more challenging sections. The opening chorale should be very intimate while the fugal section beginning in measure 55 should be a full marcato sound. This arrangement will be a great opportunity for your string students to experience one of my favorite full symphony orchestra works.
