

I'LL GIVE YOU PEACE - Originally recorded by legendary contemporary Christian recording artist Sandi Patty, *I'll Give You Peace* is a peaceful anthem of assurance. Due to the somewhat soloistic nature of the piece in places, consider opening the piece with a solo female, and having a male join in duet at the pick-up to measure 15. The full choir would then join at measure 22 as written. Keep the rhythms relaxed and natural, while paying close attention to dynamics so as to underscore the impact of the text and music. Adding the optional flute, percussion and bass will enhance the overall effect of the piece.

Patti Drennan - An active composer and arranger, Patti has approximately 525 choral octavos, piano and piano/vocal books published with 10 major publishers. She has served as a clinician for school and church workshops in 22 states, three times in Canada, and has presented four sessions at the Texas Music Educators Convention. She has been guest director at numerous Composer Weekends. She has been an adjudicator for school choral contests in Oklahoma, Arkansas and Kansas.

Patti retired from teaching in 2004 in order to compose and stay active as a clinician and workshop presenter. For almost 10 years she served as Music and Worship Arts Director at First Baptist Church, Norman, Oklahoma. She is married and has two grown children, son-in-law and a grandson. Patti enjoys writing, leading music reading sessions for publishers, and singing in a professional gospel choir. She also enjoys spending time performing and recording with her daughter and son-in-law in numerous symphonic performances.
