

For my friend, Bryce Thompson

Shapes Are Nice*

Dennis Alexander

Happy (♩ = 120)

When I wake up ev - 'ry day, I have a fav-'rite thing I love to do:

5

draw - ing shapes in man - y col - ors, red, green, yel - low, orange, and blue.

9

I can draw a trap-e-zoid, and cir-cles are di-vine! Squares and rec - tan-gles have straight lines.

Optional Duet Accompaniment (Student plays one octave higher.)

Happy (♩ = 120)
