Another great hit from *The LEGO® Movies!* Sure to please audiences and players, this infectious tune is designed to get stuck in your head.

NOTES TO THE CONDUCTOR

This piece has a terrific groove with its rhythm and texture. Be sure to bring out all the nuance by observing the articulations, particularly in the pizzicato section. The accents in that section will add much to the effect of the music and provide contrast in the piece. The drumset adds a lot of excitement and feel to *Catchy Song*. The hi-hat cymbals have + and o markings to indicate where to open and close them. While the opening and closing of the hi-hat would be effective for the style, this piece will work just as well with the hi-hat closed throughout. Enjoy!

NOTE FROM THE EDITOR

All Belwin string parts have been carefully bowed and fingered appropriately by level. The Yellow Very Beginning series includes many bowings as well as reminder fingerings for first-time readers. The Red Beginning series includes frequent bowings to assist younger players. Fingerings for altered pitches are often marked. The Green Intermediate series includes appropriately placed bowings for middle-level students. Fingerings and positions are marked for notes beyond first position. The Blue Concert series includes bowings appropriate for the experienced high school player. Fingerings and position markings are indicated for difficult passages.
