PROGRAM NOTES

Capture the spirited heart of Aguascalientes with *Agüitas*, an authentic Mexican polka whose title is an affectionate nickname for its home region. This arrangement of *Agüitas*, by mariachi expert John Contreras, is perfectly suited for both mariachi ensembles and as a vibrant accompaniment for *ballet folklórico*. Its strong rhythm, driven by the foundational *guitarrón* and highlighted by the violin and trumpet melodies, is crafted to inspire immediate audience participation. Get ready for clapping, foot-tapping, and a truly joyful concert experience.
