WE WISH YOU A *Merry Mash-Up*

11 Christmas Carols in the Styles of Great Composers

Arranged by Jennifer Linn

Since childhood, I've always loved playing Christmas music for countless family gatherings and festive events. As a piano teacher, I've always tried to make our holiday recitals feel like more than just another box to check or a parade of method book pieces on repeat. I wanted sparkle, surprise, and something students (and audiences!) would actually look forward to year after year. This collection combines Christmas carols with the distinctive styles of classical composers to create playful and challenging "mash-ups" that are as fun to listen to as they are to play. These unique arrangements give pianists of all ages a chance to experience classical elements in a seasonal setting, and they offer teachers a creative way to incorporate timeless styles into holiday performances—going beyond the ordinary.
