PERFORMANCE SUGGESTION:
Perform with colorful scarves, finger lights, or gel-covered flashlights. Singers gently circle their prop overhead each time they sing the lyric "color" in mm. 23-32, as well as when the mark tree plays in mm. 5, 39, 41, 43, and 52.

Percussion part is on page 8.
(The shaker recreates the sound of a kaleidoscope, and the mark tree represents shimmering light.)
