## Editor's Note

This songbook is one of a series of materials for Boomwhackers® Musical Tubes being jointly developed by Warner Bros. Publications and Whacky Music, Inc., which manufactures Boomwhackers®. Whacky Music recognizes the important value these materials add to its unique musical tubes and is proud to have the opportunity to cooperate with Warner Bros. Publications in their development.

The color-coded, plastic Boomwhackers® tubes were invented by Craig Ramsell, president of Whacky Music, after being inspired by a cardboard gift-wrap tube that he had cut in two in preparation for recycling. As of this writing in 2001, more than one million Boomwhackers® have been shipped into the world. Because they are fun, easy to play, and inexpensive, a large number of them are being used in thousands of schools around the world for music education. They have received numerous awards, including a Parents' Choice Gold Award, Dr. Toy's Best 100 Children's Products, and an Oppenheim Toy Portfolio Gold Seal.

# Jeopardy Theme

## ***Tubes required:***

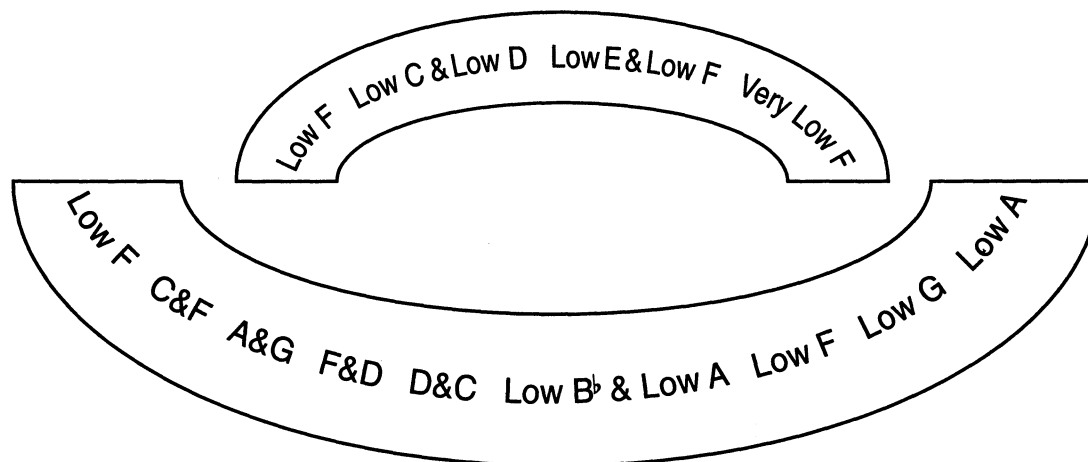

(Tubes are listed in order of occurrence in the music for each part. For the “Low” tubes, use bass tubes or tubes with Octavator™ caps.)

**Melody:** C F Low F A G D Low B $\flat$  Low A Low G

**Accompaniment:** Low F Low C Low D Low E  
Optional: Very Low F (two octaves below F'; use a bass tube with an Octavator™ cap)

## ***Teaching suggestions:***

- Give each student one or two tubes as shown below. Seat all but four students in a semicircle:  
Low F / C & F / A & G / F & D / D & C / Low B $\flat$  & Low A / Low F / Low G / Low A
- Seat the four remaining students in front and middle to play the accompaniment:  
Low F / Low C & Low D / Low E & Low F / Very Low F (opt.)

- Teach parts by rote.
- The melody also works well on Orff barred instruments.

# Batman Theme

(From the TV Series)

Words and Music by  
NEAL HEFTI

*Pattern A*

*Melody 1*

Bat - man                      Bat - man

*Pattern A continues.*

*Melody 2*                      *Melody 1*

Bat - man                      Bat - man

*Pattern B*                      *Pattern A*

\* Optional tremolo roll: older students may hold two tubes of different pitches such as F & G and alternate playing them rapidly on the floor.

# The Pink Panther

By HENRY MANCINI

Mysteriously; in 2
