RIO GRANDE	Snell 7
RONDO	Snell 16
RUSSIAN FOLK SONG	Traditional 10
SARABANDE	Speer 12
TWO CHINESE FOLK SONGS	Traditional 8
1. Song of Hoe	
2. The Filial Crow	

ORIENTATION

This book is one of three levels of clarinet solos in the Belwin Master Solos series. Prepared under the direction of Keith Snell, each of these folios contains a collection of graded solos that should prove to be a useful source for both the student and the teacher of the clarinet.

Each folio will contain works from the Renaissance, Baroque and Classical periods, folk songs and traditional tunes, and a selection of original compositions for clarinet. For the student, these solos will provide material with specific challenges in rhythm, range, and key signatures in music that is both instructive and enjoyable to perform. The teacher will find these solos useful because each has been selected and arranged to challenge the student in different areas of technique and musicianship while providing exposure to a variety of musical styles that are enjoyable to perform. In addition, special attention has been given to creating accompaniments that are easy to play yet at the same time add interest to the solo parts.

EASY LEVEL - SOLOS

The solos in this folio are designed to provide limited challenges to the beginning clarinet student in range, key signatures and rhythms, and in the technique of solo performance.

The pieces have been arranged so that each will focus on one or two areas of development at a time in order to not overload the student with too many challenges at once. In the area of meters, only the basic duple and triple quarter note meters have been used. Subdivided meters are dealt with in the intermediate and advanced levels of the Belwin Master Solos for Clarinet. Key signatures have been limited to two sharps or flats; however, in some pieces, closely related keys are briefly explored through the use of accidentals. Since the establishment of good rhythm is a fundamental part of every beginning player's technique, the rhythms in this volume have been kept very simple. Dotted rhythms have been limited to quarter and half notes and have been kept to a minimum. Syncopations and tied rhythms are explored in the intermediate and advanced levels.

In an effort to expose the beginning student to a cross section of musical styles, arrangements of music from the various stylistic periods have been included. In order to accommodate the restrictions of key, meter and rhythm previously discussed, it has been necessary to make alterations to the original form of some of the pieces. However, this has permitted the inclusion of many pieces which would not normally be considered playable by the beginning student. It is hoped that by being introduced to these musical styles at such an early stage, students will develop an interest and appreciation for these styles and will be encouraged to explore them further as their technique develops.

Rigaudon

Georg Böhm (1661-1733)
Arranged by Keith Snell

Moderato

The musical score for 'Rigaudon' is written in treble clef with a key signature of one flat (B-flat) and a 3/4 time signature. The tempo is marked 'Moderato'. The score begins with a 3-measure rest, followed by a melodic line starting on a half note G4. A dynamic marking of *mf* is placed below the first measure. The piece features several trills, including one at measure 5 marked with a [5] above it. The dynamics vary throughout, reaching a forte (*f*) section around measure 15. A mezzo-piano (*mp*) section begins at measure 21, marked with a [21] above it. The score concludes with a *ritard.* (ritardando) marking over the final measures, which end with a forte (*f*) dynamic. A large red watermark 'Preview Only' is overlaid diagonally across the entire page.

March

Johann Kaspar Fischer(c.1665-1746)
Arranged by Christopher Nolan

Moderato

The musical score is written on seven staves in 4/4 time. The first staff begins with a treble clef and a key signature of one flat. It features a triplet of eighth notes, followed by a measure with a fermata and a measure with a bracketed measure number [5]. The dynamic marking *mf* is placed below the staff. The second staff continues the melodic line with eighth and sixteenth notes. The third staff includes a bracketed measure number [13], a triplet of eighth notes, and a dynamic marking *mf*. The fourth staff has a bracketed measure number [21] and a dynamic marking *mp*. The fifth staff continues the melodic development. The sixth staff features a triplet of eighth notes and a dynamic marking *f*. The seventh staff concludes with a *ritard.* instruction and a final note with a fermata.
