UNIT 13

LESSON 1

1. Practice "Feliz Navidad."
2. Warm-up slowly and carefully on long tones before each practice session.

LESSON 2

1. Practice "Feliz Navidad" and "Up on the Housetop," considering the style for each piece.
2. Remember to isolate the more difficult passages, playing them slowly and gradually increasing the speed.
3. Record yourself playing your part on "Feliz Navidad." Write down what you discovered from critically listening to yourself play.

UNIT 14

LESSON 1

1. Review all three of the concert pieces, striving for individual improvement.
2. Make a recording of your performance of each piece and turn it in at our next lesson. Your teacher will review your recording and provide feedback for improvement.

LESSON 2

1. Review all of the concert pieces we have learned so far. If you are having difficulty with particular sections of a piece, play the section slowly to improve before going on.
