

Does he know,  
 who you are,  
 does he ~~laugh~~ laugh  
 Just to know, ~~what~~ what he has.

---

Does he know, not to talk  
 about your dad

Does he know when your ~~dad~~ <sup>(puff)</sup> dad  
 you don't like to be touched,  
 let alone kissed

Does he know where your lips begin  
~~does he know where your lips begin~~

your lip wakes  
~~notice~~ notice

Does his love  
 make your  
 head spin?

Who  
 THE  
 FUCK  
 IS  
 HEAVEN  
 man
