## FOREWORD

### "STRING MASTERS",

The twenty Classics for Strings have been arranged to meet the growing demand for string music of an "easy to intermediate grade".

The compositions in this volume have been selected for their programmatic and educational as well as developmental values. The material has also been compiled with the viewpoint of keeping it interesting from the melodic, rhythmic and harmonic outlook and to instill a well-balanced musicianship.

Special attention is called to the fact that any combination of parts may be used in study or performance thus enhancing the value of the work.

The Piano book is optional and may be omitted when a pure String Ensemble is desired, or may be used for teaching purpose in rehearsing the Ensemble.

The parts are nearly all in the FIRST POSITION, except in a few numbers, where the highest position is the third. The collection is also suitable for Duet, Trio, or Quartet using the Piano accompaniment.
