

Try a Triad

Write a blocked and a broken triad in ascending (up) or descending (down) order from the note you are given. An example is done for you.

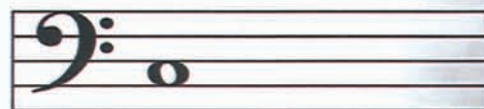

Ex. Descending from the **G** between Middle C and Treble C

1. Descending from High **C**

2. Ascending from Bass **C**

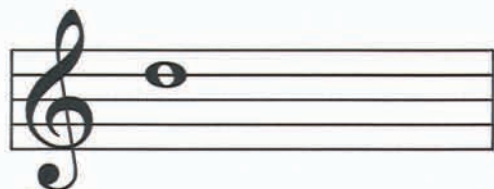

3. Descending from the **D** above Middle C

4. Descending from Treble **C**

5. Ascending from the **D** between Treble C and High C

6. Ascending from the **F** below Bass C
