

"I can't wait to meet Cherry Jam!" cried Lemon Meringue.  
"I know all her songs by heart!" exclaimed Plum Pudding.  
"She's berry talented!" Raspberry Torte added.

"I have an idea," said Strawberry. "Let's have a party  
at my café to welcome Cherry!"  
"Yes!" said Orange Blossom and Blueberry Muffin.

When Cherry arrived, Strawberry and her friends introduced themselves.  
"It's berry nice to meet you!" Strawberry told Cherry.  
"We can't wait to hang out with you!" exclaimed Plum.

"How sweet of you!" Cherry replied.  
"Is it fun to be so famous?" Orange asked Cherry.  
"Do you love wearing all the costumes and makeup?" added Lemon.
