## Projection Fanfare

Jim Parcel

*Projection Fanfare* is a projection of intensity. It has one minor cadence as it approaches the halfway point, followed by more tension that is only released at the end. The forte/piano crescendo of the final note is a critical part of the necessary tension release as the piece ends, and must be done dramatically enough to create that release. It is a major chord with a ninth in the euphonium and 3rd trumpet parts, an intonation challenge. It creates a powerful effect.

All note lengths and articulations should be strictly observed, or projection is lost.

James Parcel was born and raised in Portland, Oregon. He attended the University of Oregon (Eugene), achieving a bachelors degree in music. He moved to Anchorage, Alaska where he taught band at the High School level for over thirty years. Mr. Parcel received a masters degree in Music Education also from U of O.

Jim has always been an active trombone player playing in the Anchorage Symphony Orchestra, several jazz ensembles and combos as well as in brass quintets. He started experimenting with composing and arranging in his early years of teaching and his interest in composition continues.

# PROJECTION FANFARE

Jim Parcel

A musical score for "Projection Fanfare" by Jim Parcel. The score is written for a large ensemble consisting of B♭ Trumpet 1, B♭ Trumpet 2, B♭ Trumpet 3, F Horn 1, F Horn 2, Trombone 1, Trombone 2, Bass Trombone, Euphonium, Tuba, Tpt 1, Tpt 2, Tpt 3, Hn 1, Hn 2, Trbn 1, Trbn 2, B Trbn, and Euph. The music is in common time, with a key signature of one flat. The tempo is marked as  $\text{♩} = 90$ . The score is divided into measures numbered 1 through 12. The first four measures feature rhythmic patterns primarily on the trumpets and horns. Measures 5 through 12 show more complex harmonic and melodic development involving all instruments. A large red watermark reading "Preview Use Requires Purchase" is diagonally across the page.

A musical score for a brass ensemble, likely a fanfare. The score consists of two systems of music, each with ten staves. The instruments are organized into two groups: a top group of three trumpets (Tpt 1, Tpt 2, Tpt 3) and a bottom group of four brass instruments (Hn 1, Hn 2, Trbn 1, Trbn 2). The first system spans measures 13 to 18. The second system spans measures 19 to 24. Measure numbers are placed above the staves. Dynamic markings such as *ff*, *f*, *fp*, and *p* are present. Articulation marks like '3' and '6' are also visible. The entire score is heavily overlaid with large, semi-transparent red text that reads "Legal Use Requires Purchase" diagonally across the page.
