Solar Storm

David Marlatt

A solar storm (or solar flare) is a large explosion in the Sun's atmosphere releasing massive amounts of energy. The first ever recorded was by British astronomer Richard Carrington in 1859. What he witnessed was the most powerful solar flare of the last 500 years and was called the Carrington Event. It caused spectacular auroras (usually only found on the poles of the earth) to be seen as far south as Cuba. Auroras are caused by collisions in the Earth's magnetic field by charged particles. Solar storms could last 24-48 hours and the effects can be felt here on Earth. It can disrupt power grids, navigation systems as well as satellites and work done by astronauts in space.

The opening should be very dramatic and bold. Exact coordination of the percussionists is crucial - they should sound like one. The wind players entry at 11 should be biting and intense. Accents throughout the work should be exaggerated to make the most of the shifting rhythmic feel.

Sunspots - this should be played very short - *secco*. This is contrasted by the flute, horn and vibes at 131.

Ode to Helios - sustained and chant-like. This is the spiritual worship by peoples thousands of years ago not understanding what was happening with the sun. They are praying for the storms to end and to please their sun god. Sing in a comfortable range, move together and don't let the tempo drag.

The Carrington Event - make the most of the accents in this shifting section. The uncertainty of this solar storms leads the listener to the next section.

Aurora Borealis - the elegant bold light show that is an aurora must come through in this broad section. The horns and baritone must sound massive whenever they play.

David Marlatt has composed pieces for concert band, string orchestra, brass quintet, trumpet ensemble, piano, tuba and trumpet. His writing style is diverse and he has written for a wide range of difficulty levels from very young concert band to professional brass quintet. His jazz based trumpet ensemble pieces Groovy Vamp and A Coconut Named Alex have been well received by audiences everywhere and his concert band compositions are found on many festival lists. He has also arranged over 800 pieces of repertoire from the Baroque to the Romantic eras such as Monteverdi madrigals, a large suite of music from Handel's Messiah, Largo from New World Symphony and even Mahler's First Symphony.

Mr. Marlatt is a trumpet player who obtained a music education degree from the University of Western Ontario, Canada. He was Principal Cornet in the Whitby Brass Band for 6 years and founder of the trumpet ensemble Trumpets in Style. As a performer, he has played in jazz bands, brass quintets, orchestras, concert bands, brass bands and period instrument ensembles.

Please contact the composer if you require any further information about this piece or his availability for commissioning new works and appearances.
