## Resurgence of Sound

Ryan Meeboer

*Resurgence of Sound* was composed to celebrate the perseverance of instrumental music education during the COVID-19 pandemic through the Sound Travels initiative represented by the Honour Bands of Ontario and organized by the Ontario Band Association.

This piece provides ample opportunity to work on several musical elements, such as articulations, syncopated patterns, balance, tone, dynamic and rhythmic shifts, all while performing fun, uplifting and dramatic melodic material. Every instrument is given the opportunity to perform the melody at some point, making it exciting for all musicians to play.

The piece was composed for a band at the Grade 1.5 level to perform, but includes advanced parts for the flute, clarinet, alto sax, trumpet, horn and trombone/baritone. These parts add range, technique and control that is at the Grade 3 level. This offers the opportunity for more advanced players to play these parts with more flourishes while the majority of the band can play at a Grade 1.5 level.

A few important things to note when utilizing the Advanced parts. Make sure ALL of the parts for each instrument section are covered. For example, if someone is performing the Advanced Clarinet part, Clarinet 1 and 2 parts should still be played (similar to having Clarinet 1, 2 and 3 parts). Secondly, any solos should be played by one player in either the Advanced or non-advanced parts. Solos are written in both and vary slightly, therefore creating some dissonance at times.

In a few sections, like measure 27, there are optional pitches for the trumpet to play in the case players are not comfortable enough to hit the higher notes. You will also find a few of these sections in the Advanced Trombone/Baritone part. If more than one player is performing this part, be sure they play the divisi.

Ryan Meeboer is a music educator, who obtained his degree through the Ontario Institute for Studies in Education at the University of Toronto. As a composer, he has written and arranged many pieces for concert band, jazz band, and small ensembles. His young band piece, *Last Voyage of the Queen Anne's Revenge*, has been well received by performers, educators, and audiences, and his pieces are starting to be found on festival and contest lists. As a performer, he has had experience in several groups, including concert and stage bands, chamber choir, vocal jazz ensemble, acoustic duets, and the Hamilton based swing group, "The Main Swing Connection".

Ryan began studying music at the age of seven through private guitar lessons. During his years in elementary and secondary school, he gained experience in several families of instruments. Focusing on music education and theory (including composition and orchestration), he attended McMaster University to achieve his honours degree in music. Ryan is currently a teacher for the Halton District School Board in Ontario, where he continues to compose and arrange.
