Windscape

David Marlatt

Windscape opens with *The Winds from the North*. The driving bass line combined with the punctuated shots represent the bitter winds that blow into Ontario in the winter time. This moves into *The Winds of Change*. This has a shifty but steady pulse that features melody in the violins at first and then a counter melody is added the viola. Crystal glasses and a lone viola are the featured sonorities in *The Winds of Mystery*. *The Winds of Change* then reappears and, with several sidebar introductions of new rhythmic and melodic material, the piece ends as it should - driving and enthusiastic.

The crystal glasses part starting at 53 could be tuned to F# and B or they could be random pitches to create an eerie effect.

David Marlatt has composed pieces for concert band, string orchestra, brass quintet, trumpet ensemble, piano, tuba and trumpet. His writing style is diverse and he has written for a wide range of difficulty levels from very young concert band to professional brass quintet. His jazz based trumpet ensemble pieces *Groovy Vamp* and *A Coconut Named Alex* have been well received by audiences everywhere and his concert band compositions are found on many festival lists. He has also arranged over 800 pieces of repertoire from the Baroque to the Romantic eras such as Monteverdi madrigals, a large suite of music from Handel's *Messiah*, *Largo* from *New World Symphony* and even Mahler's *First Symphony*.

Mr. Marlatt is a trumpet player who obtained a music education degree from the University of Western Ontario, Canada. He was Principal Cornet in the *Whitby Brass Band* for 6 years and founder of the trumpet ensemble *Trumpets in Style*. As a performer, he has played in jazz bands, brass quintets, orchestras, concert bands, brass bands and period instrument ensembles.

Please contact the composer if you require any further information about this piece or his availability for commissioning new works and appearances.
