

Rondo Alla Turca

Wolfgang Amadeus Mozart
Arranged by David Marlatt

Mozart's *Rondo alla Turca* is the well-known final movement from his *Piano Sonata in A Major K. 331*. The title, in English, *Turkish Rondo*, was given by Mozart himself. It refers to an exotic "Turkish" style that was quite popular in his time. Beethoven also included a "Turkish" variation in the final movement of his 9th Symphony, complete with drums and cymbals.

The melody flows throughout the ensemble and all members get a chance at some flashy, technical sections.
