The Composer

Erik Morales (b. 1966) began his composing career shortly after graduation from high school in south Florida. He studied composition at Florida International University, and completed his bachelor's degree at the University of Louisiana at Lafayette. Accessible at all levels, the music of Erik Morales has a unique melodic and harmonic vocabulary that appeals to audiences nationwide. His published works encompass a large variety of styles and settings, including works for concert, orchestral, jazz, and chamber ensembles. Mr. Morales currently teaches and plays trumpet professionally in the New Orleans area, in addition to maintaining an active composing and conducting schedule.

Program Notes

Designed to play out like a fairy tale, *Fable* was inspired by ancient collections of children's stories such as Aesop's *Fables* and Grimm's *Fairy Tales*. Mostly, these stories were created to instill the values of making right and good decisions. However, many of these stories often resolved in dark ways. This was especially true of the stories created by Jacob and Wilhelm Grimm. Many of their stories were edited in later editions.

Fable has an epic movie soundtrack quality by design. This piece has three main themes which occur at measures 3–14, measures 49–56 and the rhythmic figures appearing in measure 67–70. Each theme works as a catalyst for development throughout the work. The composite time signature of $\frac{4}{4} + \frac{2}{4}$ is used to frame the rhythmic figures that drive these melodic themes. By request of the commissioning party I have included a musical fragment of the Dover High School Alma Mater at measure 132–133 in the low brass and French horns. A synthesizer part is included to enhance the bass and overall depth of sound.

This musical work was commissioned by the Dover Band Boosters to celebrate 100 years of the, Dover, OH Band Program (1917–2017), Chris Redd, director.
