

ASHES TO DUST

Ashes to Dust was commissioned by East Spring Chorale and was written during the time of the passing Mr Lee Kuan Yew, the first prime-minister of Singapore.

To many of us, the experience of grief and hope after losing a loved one is something we each hold dear to ourselves. We see death in different views at different points in our lives. But it is hope that strengthens us and keeps us moving forward.

This work explores the grief and hope in this context, with the sacred latin text:

Kyrie Eleison – Lord have mercy

Christe Eleison – Christ have mercy

Dona Nobis Pacem – Grant us peace

Ashes to Dust
