Programme note

Souvenir de Petit Berger was composed for a concert given by James Willshire in September 2018 at Late Music York, marking the centenary of Debussy's death. Composers were asked to take one of Debussy's solo piano pieces as their starting point. I chose *The Little Shepherd* from *Children's Corner*, as it was the first of many Debussy pieces that I played as a schoolgirl.

Note to the performer

Pedalling is not marked – use pedal as in the Debussy. Share fluid passages (eg. 41–47) between the hands as it suits you. Metronome marks are only guidelines – you may choose swifter or slower tempi if you wish. Duration: c. 3' 45"
