Notes

For a samba, this is a bit rock-ish. Don't be afraid to let it rock a little. For younger groups, it will be an easier read if you slow it down and count it in four. Once they've got it under their fingers, you can crank it up again. A solo transcription is provided that matches the recording. Scan the QR code on the last page to download that MP3. The Sax soli is loosely based on a melody that was improvised by Alex Noppe on Trumpet on a different recording of this tune. Extra percussion is always welcome in this style. Shakers or Congas throughout and Cowbell at measure 107, for example.
