Program Notes

Fat City Swing is a chart loosely based on rhythm changes. Although the recommended tempo is ♩ = 152, you can experiment with tempos between ♩ = 120 and ♩ = 176; the chart swings hard at slower tempos and sounds impressive at faster tempos. Beginning at measure 41, a different soloist is featured every eight bars. If you have strong soloists, you may wish to open up the solo section so each player has an opportunity to solo through the entire AABA form. Showcasing the horns at measure 77, each segment of the ensemble takes a unison 8-bar soli. At measure 101, the soli section culminates with the entire band joining in.
