The Composer

Erik Morales is well recognized for his compositions and arrangements, which are performed by high schools and colleges throughout the nation. In addition to having numerous published works, he has been commissioned by schools and community bands nationwide. Mr. Morales earned his Bachelor of Music degree in theory and composition from the University of Louisiana at Lafayette. Currently, he composes music and teaches trumpet in the New Orleans area.

About the Music

The Bone Yard is a trombone section feature in a straight-ahead swing style. Trombones must use a sufficient amount of air to create a big, round sound. This is necessary to execute certain passages in the manner intended. Tempo maintenance is critical, as certain sections (such as the shout chorus at measure 44) will tend to drag. The drummer and guitar players can play a big role in keeping a steady tempo. The director should focus on cleaning rhythms within each section of the ensemble. Upbeat hits (such as those found at measures 54 and 60) need to be executed with very short and percussive articulations. The overall feel of this work should remain light and carefree throughout.
