The Composer

Composer and arranger Rob Vuono, Jr. is currently staff arranger for the U.S. Navy Band in Washington, D.C. Rob received his formal training at both the Manhattan School of Music and Mannes College of Music, studying classical composition and orchestration with Dr. Leo Edwards, Giampaolo Bracali, and David Loeb. Additionally, Rob studied arranging with Johnny Carisi, Jo Boyer, and Gil Evans. Rob has freelanced as a writer and performer in the New York area, and has been active as a jazz studies instructor for the International Art of Jazz program and director of the Stony Brook Jazz Ensemble at SUNY, Stony Brook, New York.

In 1986, Rob was hired as a writer and performer for the U.S. Navy Band, eventually securing the job of chief arranger for the U.S. Naval Academy Band in 1994. Rob writes for a wide variety of ensembles (jazz ensemble, wind ensemble, orchestra, choral groups, and chamber groups) and performers (the rock group Phish, the swing band Big Time Operator, and The Bluebonnet Brass). An accomplished trumpet and piano instrumentalist, Rob is currently active as a writer, performer, and bandleader, releasing recordings of arrangements by his own big band.

About the Music

Upbeat, happy, and swingin' all the way, *Jiver's License* moves between a 2- and 4-beat feel. ♩ = 180 will put this chart in the pocket—the contrasts between 2- and 4-beat swing, loud and soft, and high and low will really make things cook!

Saxes should lip the recurring half-step figures whenever marked. Start on the upper pitch and bend down a semitone, then back up. If this proves problematic, simply play the figure normally.

Bars 83–99 is a real flag-waver—backbeat and all. Make sure the lead trombone sound predominates on the recurring figure in bars 83 (upbeat of 3) and 84 (and again in bars 85–86, 87–88, 91–92, 93–94, and 95–96). Trumpets 2, 3, and 4 should add support but not overpower the lead trombone.

The sax figure into bar 99 is most important. Make sure bass and drums catch the figure as written, and that saxes really play out. Bar 99 features the rhythm section and must be played as written.

(ASCAP)

SWING (♩ = 180)

5

The musical score is arranged for a jazz ensemble. The saxophone section (Alto, Tenor, Baritone) plays a melodic line with slurs and accents. The brass section (Trumpet 1-4 and Trombone 1-4) provides harmonic support with chords and rhythmic patterns. The guitar and piano play chords and arpeggios, with the piano part including a pizzicato section. The bass line is a steady eighth-note pattern. The drum set includes a hi-hat pattern and occasional fills.

Chord symbols for guitar and piano: G7, F7, F#7, G7, C6, Bb+/E, F6, G13, G9.

Performance markings include *AS WRITTEN*, *pizz.*, *FILL*, and *HI-HAT*.
