PROGRAM NOTE

Join us on a musical safari of the Dark Continent with this imaginative work by Justin Harden. A unique melody flowing beautifully over tribal percussion stirs the imaginations of musician and audience alike. Let the music take you on a journey of stunning landscapes and majestic animals in a true celebration of the African continent.

NOTES TO CONDUCTOR

The percussion grooves should be rehearsed in a percussion ensemble setting to insure communication, balance, and authenticity. If time allows, a section rehearsal before the full band reads the piece would be very helpful.

Dynamic shaping is important throughout. Feel free to adjust the dynamic markings based on your instrumentation.

I hope the band enjoys *African Celebration*. I wish you a wonderful performance!
