## NOTES TO CONDUCTOR

Please adhere to the marked tempo in order to generate the desired intensity for this piece.

Articulations are used sparingly. The staccato marking should be played very detached from the following note to provide a bouncing effect. Be sure to point out and rehearse all articulation markings to clarify/unify while adding excitement to the band's performance.

Please pay special attention to the balance between winds and percussion. The percussion section should blend and support the winds rather than overpower them.

I hope that you, your students and audience experience a commanding performance with **Cosmic Voyage**. Best of luck!
