## PROGRAM NOTE

*Ghillie Dhu* (*Gill-e Dew*) "Elf of the Forest" is inspired by a creature from Scottish Folklore. A solitary male fairy, the Ghillie Dhu was usually friendly and quiet, but occasionally wild in character. This creature was also known to have a gentle devotion to children.

The Ghillie Dhu lived in a birch wood within the village of Gairloch and near the shores of "Loch a Druing" of the northwest highlands of Scotland. The Ghillie Dhu is depicted as dark haired and clothed in leaves of moss. Typically, the Ghillie Dhu did not like it when people would enter his forest. However, he was known to be helpful to children that might be lost.

## NOTES TO CONDUCTOR

Careful attention to articulations, dynamic changes and phrasing should be given throughout the rehearsal and performance of the piece.

The entire work should reference the flute solo at the beginning.

Attention should be given to the orchestra bells at measure 13. Although this is not the melody, the idea is intended to support the melody. The same motive occurs in the upper woodwinds at measure 23.

A shift of intensity occurs at measure 42 and should reflect the spirit nature of the character with lots of excitement.

The percussion section should not overpower the winds at any point.

The moments of silence for the full ensemble (example measure 53) are important to setup the next measure. Be sure the ensemble does not play or hold over into these rests.
