PROGRAM NOTE

Sandcastle March was written to glorify all the amazing sandcastles built at the beach. The sandcastle is created with imagination and fun. Although it is soon washed away by the sea, it creates a lasting memory for the architect.

NOTES TO CONDUCTOR

Check the marked tempo and keep the pulse steady. However, feel free to alter the tempo as needed for rehearsal or ability.

Focusing on attack and release early in the piece will help define and develop the ensembles approach to march style. It is the space between the notes that gives the march its characteristic bounce and spirit.

“Milk” the dynamics and articulations throughout to maximize the dramatic effect of the piece.

Strive to have your young musicians recognize when they are playing unison versus harmony. Point out to them how the unisons are more powerful than the harmony so they begin to balance the two concepts with better dynamic control.
