PROGRAM NOTE

Springing is inspired by Vivaldi's *Spring (Concerto No. 1 in E major, Op. 8, RV 269)* and can serve as an excellent conduit to further exploration of this masterwork. The joyous melody and buoyant texture conjure images of the earliest blooming flowers of the season. Beyond changes in weather, spring gives us hope for rejuvenation in our own lives as well, often providing a time to renew.

NOTES TO CONDUCTOR

The lively thematic material utilizes repeated moving eighth note figures that provide an excellent opportunity for technique building at this level. Further concepts include staccato playing with a focus on a "light" bow technique. Students will also have many opportunities to demonstrate fluency in dynamics.

Work toward consistency from section to section throughout the form. Listening to Vivaldi can provide an exceptional model for mature phrasing, sophistication in tone, and overall pacing.

I wish you and the orchestra a successful performance.
