PROGRAM NOTE

Most people know him as Wolfgang Amadeus Mozart, but interestingly, his full name was actually Johannes Chrysostomus Wolfgang Theophilus Mozart (1756-1791). He was an unusually gifted child prodigy, touring at a young age, composing his first work at age four, and composing over 600 works over his lifetime. His work titled *A Little Night Music*, or *Eine Kleine Nachtmusik* in German, is one of the most recognizable melodies from the Classical Era (1730-1820). This work was composed in 1787 for two violins, viola, cello, and double bass, but was not published until 1827, long after his death. And now, we present this lighthearted work arranged for concert band.

NOTES TO CONDUCTOR

Please adhere to the marked tempo to keep the performance exciting.

While the Snare Drum, Bass Drum, and Crash Cymbals play during the loud sections of this piece, these parts should remain full-sounding while never overpowering the ensemble.

Wherever the staccato markings occur, their notes should be played very light, unaccented, and with a good bit of space between them.

Keep the music fresh by observing all dynamics to provide contrast between sections.

At measure 61, the Timpanist should guide the rest of the ensemble through the *molto rit.*

I hope this delightful classical work brings much enjoyment to your young musicians and audience! Please visit my composer page at rwsmusic.com to connect.
