Her arrangements and compositions for beginning and developing string players are performed across the nation and abroad.

## About the Music

This traditional French carol is a song of celebration. It proclaims, “He is born, the divine child! Play the oboe! Play the musette!” In this arrangement, the oboe is represented by any instrument playing the melody. The musette, a bagpipe that was popular in 17th- and 18th-century France, is represented by the droning open strings.

Set in 1st position, with the exception of the bass, this piece can be used to refine a strong marcato bowing and dynamic contrasts, and to reinforce or introduce double-stops and C natural.

*(Chorus)*

Il est né, le divin Enfant,  
Jouez, hautbois, resonnez, musettes;  
Il est né, le divin Enfant;  
Chantons tous son avenir!

He is born, the Holy child,  
Play on the oboe and bagpipes merrily;  
He is born, the Holy child;  
Sing we all of the Savior's birth!
